Adult Drop-in Play Programs

Please call the Chandler Tennis Center for information regarding our adult drop-in programs.

Adult Leagues

Players must be rated by a Chandler Tennis Center Professional prior to registering or have a National Tennis Rating Program (NTRP) prior to registering in the league. If a player signs up without being rated, he or she will be removed and given a full refund. Each player must sign up for the league that they have been rated. If you sign up for a lower or higher league, you will be put in the appropriate level depending on availability.

Adult Leagues sub list

Want to play in an adult league, but not always available for the entire eight weeks? Register to be on our sub list. If a regular player is unable to make their scheduled match, they will contact a sub to fill in. Must sign up to be on the sub list each session. Each sub must be rated by a Chandler Tennis Center Tennis Professional prior to registering in the league. Sub list will not be carried over to the next session. Must register each session if interested.

Junior Lessons

Designed to help children learn the game with equipment that is age and size appropriate. Just like other popular youth sports, our lessons stress the importance of play and team competition. Students will have the opportunity to have fun playing tennis with their friends and develop skills that will become the foundation of their tennis games. Our lessons follow the United States Tennis Association (USTA) junior lessons formats of Red, Orange, Green, and Yellow Ball.
